Mrs. Russell, I
hope you don't for-
get the two great
years I spent in your
class because I see you
I'm sure that I won't
come back I would see
you with your so interesting
talk to you because
he hated your

We, the seniors of Niskayuna High School, dedicate *Crossroads '67* to our principal, Mr. Joseph Oakey, whose administration exemplifies the theme of this yearbook: "The changing scene." Our student body numbered a few over a thousand when we first met Mr. Oakey as ninth graders. Now, as seniors, we shall leave an enrolment of twelve hundred fifty and a faculty of a hundred. The school which Mr. Oakey now heads comprises two houses, each with its own principal. Our building has grown along with us, our curriculum is moving forward with the times, and Niskayuna High School, already an exciting place in which to work and study, has dreams of a greater future and has the blueprint to implement these dreams.

• Next year, Mr. Oakey, you, like most of us, will be studying on a college campus. We confidently wish you every success, and we thank you for our four good years.

miss Russell
I have had more
fun this year than any
other class in school and
I hope I get you again next year.
Charly

This year, the "House System" was actually put into operation. Two separate offices were set up to serve the students of the individual houses.

HOUSE B ADMINISTRATION

MR. JAMES SHEA
House Principal

Each house was assigned about 650 students, affording the opportunity for a student to see his principal more easily. The faculty was also divided into house groups. Fortunately, the division has not separated the students from each other in spirit or cooperation.

SENIORS

MR. GORDON WRIGHT

If you took Earth Science, you know him as a teacher and remember him for his rock specimens and his "honor row". If you're a Senior though, and if you have ever worked on a dance, or a paper drive or discussed class problems with him, you remember him as a special sort of advisor. You will remember him for his somewhat unconventional methods of discipline, his readiness to laugh, and his willingness to roll up his sleeves and work. He has always been in there pushing for us and defending what we did when everyone else was criticizing us or suggesting that we should just give up.

He turned two hundred and seventy disinterested freshmen into one of the hardest working, most creative junior classes the school has ever had. As seniors, we have received unending assistance from him in putting together our Senior Show. Maybe at times he seemed a little over-cautious to us but we knew all along that he was only looking out for our best interests.

Because he has done so much for us, the Senior Class feels more than fortunate to have had him for its advisor.

We the members of the Class of '67 thank you, Mr. Wright.

Dear Mrs. Russell,
It's been fun
having you this year.
I know I haven't come
up to your standards, but
I'll try harder next
year. Well have fun this
summer and have fun with
your next year's class; this class,
I'll always remember
Denise (Red)

UNDERCLASS

MR. COLYER
(Advisor)

We Freshmen brought to NHS new life and spirit. In every activity we do you will notice our dauntless enthusiasm. While you might find a Soph or two who stumbles over the words of the Alma Mater, you will never find a Frosh! We all know our Alma Mater backwards and forward. Although wealth didn't exactly pour in from our many money-making activities, we are looking forward to better days. Well, Upperclassmen ... Can't say we don't try!

MISS SCULLY
(Advisor)

Who can believe there is such a thing as "Sophomore Slump"? We Sophs certainly can't. We're proud of the many fine scholars, artists, athletes and leaders which make up our enthusiastic class. We're glad we have two more years at NHS and plan to make the best of them. Besides that, we'll need two years to build our treasury.

We regret we do not have a picture of our other advisor: MISS O'BRIEN.

We Juniors are finding this year a very busy one. With all the planning and testing to prepare ourselves for college it's a wonder we find time to do anything else . . . but we do! We're a highly spirited bunch and proud of our many successful class activities. We are already looking forward to next year when NHS will have the greatest Senior class ever!

1966 was the year of the underclassmen for the Cross-Country team. Sophomore Gary Connors and Junior Rick Graff led the team to a very successful season. Gary Connors, just a shade over five feet tall, won various area meets. He surprised everyone when he finished second in the State meet, breaking the former State record.

The often nebulous future looks at least bright for Niskayuna's Cross-Country men.

Dear Mrs. Russell
You've been wonderful for me this year. There have been times when I've needed your advice and help and I've always counted on you. You've been a tremendous advisor and friend. There were days when I was completely disillusioned with students and life. Your calm outlook always made me feel better.

As with all papers, THE NISKAYUNA SCRIBE has one main purpose—to inform. We will inform the student body, faculty, administration, and community concerning events, ideas of interest, and opinions.

Yet our purpose goes beyond this.

We intend to broaden the range of thinking by bringing to our readers varied types of journalism. We intend to promote all worthy activities. We consider worthy activities any activity that will help to improve Niskayuna as a whole.

We intend to provide a liaison between the students and the administration. This will be especially important during this year of change, if we expect to make the change successfully.

We intend to give the opportunity for all student expression. The ideas of the students of Niskayuna are important and must be given a medium in which they may be expressed.

We intend to animate new thoughts concerning school and Council projects; for it is through new ideas that we will move ahead.

We intend to encourage and instigate the NHS spirit. This spirit must be continued with more force this year in order that we have School spirit in lieu of House spirit.

One of our Student Council's major projects this year was the poverty project. Students who wished to work as volunteers in the community were placed with appropriate organizations. The Student Council also organized the Saturday morning Carver recreation centers held at Niskayuna for second to fifth graders from the area of Schenectady near the Carver Community Center.

Our Council was also busy raising money for our American Field Service fund. We were very pleased to have both Ketty and Barry with us as representatives of AFS.

In addition to these major projects, the Council also continued its other activities in the school. The Hospitality Committee organized the Hall Committee, sent cards to students who were ill for long periods of time, and welcomed new students to Niskayuna. The Student Council also organized club activities and social activities.

Many students worked hard to make our Council a success.

Mrs. Russell,
 This is to a
 pretty good year.
 I enjoyed it and
 I hope you did also.
 Give you as my teacher.

Mrs Russell,

It has been fun this year but I'm glad summer's here. I think that you should call Alan up and make him wash your car every week, and mow your lawn, wash your clothes and do all the odd jobs you have around your house. Have a good summer.

Gary

Mrs Russell

Dearest Mrs. Russell,
I really do like you
because sometimes I had
fun listening to you. You
are very interesting. You
you and I and Mrs. Witkowski
must get together and have
a party.

Dear Mrs. Russell,
Although I may not show it
I learned a lot this year in
your class, though not all
of it was about English.
